My classroom discipline plan helps every student receive guidance in making decisions about his/her behavior. In doing this children are given the opportunity to learn in a positive, nurturing classroom environment. It is important for each child to develop self-discipline and good work habits, think independently and resolve conflicts peacefully. The plan below outlines the classroom rules, positive rewards and consequences for appropriate and inappropriate behavior.

Rules

1. Follow directions quickly.
2. Make smart choices.
3. Keep your dear teacher happy.

Rewards

In order to encourage students to follow these rules and make good choices about their behavior, I like to reward the children for their efforts in fun and creative ways. I will reward appropriate behavior with:

- * Praise
- * ClassDojo Points
- * Bonus Shots
- * 85% Time

- * Positive note or phone call home
- * Being a special helper

Consequences

The last part of the discipline plan involves consequences that will occur when class rules are broken:

1. Verbal Warning/ClassDojo Points
2. Loss of recess for one day.
3. Loss of recess for one week and a note or call home.
4. Loss of recess and lunch play time, conference with parent.
5. Referral of child to the principal when the behavior prevents the rest of the class from working in a safe and positive learning environment.
